TERMS & CONDITIONS

- Shipments are made at the designated insemination centers on the front of this contract from Monday to Thursday, excluding public holidays and eves of public holidays.
 - Presentation of the mare's records is mandatory at the first insemination. Vaccinations must be up-to-date (including Rhinopneumotitis included in the 5th, 7th and 9th month of pregnancy).
 - If the inseminated mare is not in foal on 10/01/19, Haras des Coudrettes agrees to reimburse the Buyer for the breeding fees. It is the Buyer's responsibility to prove that his mare has not become in foal by presenting a veterinary certificate prior to 10/01/19. Otherwise, the mare shall be deemed in foal and no reimbursement will be made.
 - In case of the cancellation of the covering, the Seller proposes a postponement under the same conditions (booking and breeding fees) for the next season. In case of refusal of the Buyer, the booking fees will be retained.
 - This semen is for use within conventional Artificial Insemination or Embryo Transfer cycles only **and use the semen for ICSI, or any other advanced reproductive techniques, is not permitted**.
 - Embryo Transfer: Breedings being purchased for use in Embryo Transfer programmes are entitled to one pregnancy only. If multiple pregnancies are achieved from the same flush, the full stud fee will be charged for each additional pregnancy on confirmation of a heartbeat.
 - Once the duly signed copy of this breeding contract is received (one copy will be returned to you signed by ourselves), in addition to your full settlement (booking and breeding fees, shipping fees or withdrawal fees), the semen will be shipped. Doses are not automatically sent to the insemination centre chosen, this is done upon express request by the owner of the mare made in good time. Shipping fees are payable by the Buyer. The covering certificate is effective upon acceptance by the Buyer of the terms of this signed contract and the collection of fees. Incomplete files will not be processed.
 - In the case of a settlement from abroad, the bank charges incurred by said settlement shall be met by the Buyer and the amount credited to Haras des Coudrettes must correspond to the price of the full covering certificate (as well as the semen shipment costs).
 - The cost of technical service, carriage to the centre for insemination, boarding, gynaecological monitoring and any analyses required shall be met by the Buyer. Under no circumstances shall the Seller be held liable for damage to the Buyer's mare.
 - **A fixed fee of €40 will be assessed for any late payment** (pursuant to Article D441-5 of the French Commercial Code). After a formal payment notice via registered letter with return receipt, interest on arrears will be invoiced at the current legal interest rate (cf. Articles L441-3 and L441-6 of the Commercial Code) **plus five (5) percentage points**. The debtor shall be liable for all recovery costs in addition to the fixed fee. The birth certificate that is the subject of the breeding contract shall be issued only after payment in full of all sums due (invoice, penalties, interest, etc.).
 - **In the event of non-payment**, the seller shall not provide the buyer with the corresponding covering certificate. The seller shall report the dispute and the identity of the defaulting party to the IFCE (French Horse and Riding Institute). The seller shall retain that document (Article 1948 of the French Civil Code on the right of retention) and shall object to the purchaser's acquisition of the birth certificate. If the non-payment continues after delivery of two registered letters and a formal notice, ownership of the foal shall automatically be transferred to the Seller.
 - **The Buyer affirms that he has been clearly informed and have perfectly understood this contract. He accepts the risks inherent to the breeding process. He acknowledges that the results have not been guaranteed and accepts the risk that his mare may not get in foal.**
 - The buyer shall undertake not to announce the birth of his foal on the stud-book said on this agreement before settling all invoices due and payable to Haras des Coudrettes and return unused AND empty straws to the seller.
- When these two conditions are fulfilled, the seller will send on request of the buyer, the declaration of birth of the foal.**

SPECIAL CONDITIONS - Fresh semen (insemination with fresh semen)

The mares who was barren last year have to come to the insemination center with a negative bacteriological certificate of cervix collection.

- Any mare deemed unsuitable before insemination by the inseminator/vet, in view of her state of health, may be refused inseminated. The Seller may refuse a mare that does not provide the necessary and sufficient health guarantees, without calling into question the amounts previously due and / or cashed by the Seller.
- Insemination will be carried out in Normandy at accredited centers :
 - Equitechnic situé Chemin du Marais, 14340 Notre Dame d'Estrées Corbon
 - Haras de la Forge - 14800 Vauville/Tourgéville
- The contract is established for a maximum of four covering.
- The Buyer agrees to receive frozen semen in case of unavailability of the horse (subject to availability).

SPECIAL CONDITIONS - Chilled semen (insemination with Chilled semen)

Shipping fees

Shipment of Chilled doses outside of France: on quotation

The semen will only be sent to a centre upon receipt of this signed contract with proof of payment. Incomplete files will not be processed.

The transport of any semen remains responsibility of the mare's owner. The semen must be entirely inseminated at ovulation.

- In the event all straws are used, but the mare does not take and become in foal, and at the request of the Buyer, the Seller will make a last shipment of an additional dose, shipping or withdrawal at the center remaining the responsibility of the mare's owner. After this ultimate dispatch, if the mare isn't in foal, the Buyer should pay the booking fees if he want a new shipment.
- If the Buyer decide in the last time to change the recipient mare, he should inform the Seller immediately.
- The Haras des Coudrettes undertakes, via Amélie Equitechnic, to send doses in the best conditions. Under no circumstances the Haras des Coudrettes can be held responsible for possible errors in routing, loss or degradation of doses during transport.

SPECIAL CONDITIONS - Frozen semen (Insemination with frozen semen)

Shipping fees

Shipping fees are given as a guide and may be changed without notice.

- Withdrawal on place : €80 VAT excl. (€ 96 VAT incl. / VAT = 20 % ; including the European sanitary certificate)

- Shipment outside of France : on quotation

- **The doses will only be sent to a centre upon receipt of this signed contract with proof of payment. Transportation of all doses is the responsibility of the mare's owner. Incomplete files will not be processed**
- In approved centres, sending 1 dose of 2 straws (with mobility equal to or greater than 35% after thawing) will be made available. Each dose must be entirely inseminated at ovulation. Each transport of doses remains the responsibility of the mare's owner.
- In the event all straws are used, but the mare does not take and become in foal, Haras des Coudrettes can send one additional doses (2 straws) only for the same mare at a price of €250 before tax, the cost of shipment or collection from the centre shall be met by the owner of the mare.
- **In the event that not all straws are not used and the Buyer wishes to inseminate another mare with the remaining straw during the same season**, after presentation of the new mare and acceptance of the latter by Haras des Coudrettes, the Buyer must pay for a new full covering certificate not including dose shipment costs, with the terms and conditions of this contract.
- The straws of semen provided for this covering sold by means of this contract shall remain the property of Haras des Coudrettes. Unused (or surplus) frozen semen AND used (empty) straws must be returned to the Seller at the end of the 2019 breeding season and at your expense. No declaration of birth will be sent to the breeder without this return.
