Sire

Daughter of UPSILON.

Naturally gifted in the 3 Olympic disciplines, UPSILON was the star of the eventing grounds. Every year, he has continued to confirm his immense talent. Supreme champion at 2 years old at Pompadour in eventing, finalist of 3 years old at St Lô in show jumping, French champion in eventing at 4, 5 and 6 years old, vice-champion of France and vice-world champion at 7 years old ... From an early age, Upsilon stood out. The horse was so promising and seemed so comfortable with all the difficulties that were offered to him, that at only 9 years old, he joined the French team for the European Championships.
